

## Changes to Alert Level 3 | Gatherings | 2 of 2

While new infections are declining, the country needs to remain alert. The following measures will now apply:

For religious and other permitted gatherings – such as restaurants, museums and gyms – no more than **50 people are permitted indoors** and no more than **100 people outdoors**, and may **not exceed more than 50%** of a venue's capacity.

Beaches, dams, rivers, parks and swimming pools **are open** subject to **social distancing** and **health protocols**.

## Changes to Alert Level 3 | Gatherings | 1 of 2

While new infections are declining, the country needs to remain alert. The following measures will now apply:

**Most indoor and outdoor gatherings will be prohibited.** This includes social gatherings, political events, traditional council meetings and gatherings at sports grounds.

**Funerals** may not be attended by more than **50 people**, and there needs to be social distancing, hand sanitising and mask wearing.

**Religious gatherings** are now **permitted subject to limitations** on the size of the gathering and adherence to health protocols.

## Changes to Alert Level 3 | Alcohol

While new infections are declining, the country needs to remain alert. The following measures will now apply:

**Alcohol sales** from retail outlets **will be permitted** from **Monday-Thursday**, 10am to 6pm.

**On-site consumption** of alcohol **will be permitted** at **licensed outlets** from 10am to 10pm.

**Wine farms and micro-breweries** may **sell alcohol** for off-site consumption during their **normal operating hours**.

## Changes to Alert Level 3 | New curfew hours

While new infections are declining, the country needs to remain alert. The following measures will now apply:

New curfew hours are from **11pm to 4am.**

Apart from permitted workers, **no person may be outside their place of residence** during curfew.

**Non-essential establishments**, including restaurants and bars, **must close at 10pm.**
