Visit: www.sacoronavirus.co.za for the latest updates. SA Tourism will make updates available on www.southafrica.net.

The number of cases has increased approximately 4.2% day-on-day with 8,4% daily positivity rate. The number of cases in the Eastern Cape and Gauteng have increased by more than 50% over the past seven days. However, deaths in the Eastern Cape is more than double that in GP with similar total confirmed cases, possibly indicating more undetected cases.

Visit www.sacoronavirus.co.za for more updates.
