TOURISM RELATED ARTICLES

- [International report shows impact New7Wonders has on tourism post-Covid-19](#) Sisa Ntshona, CEO of South Africa Tourism, said the research is very important for the nation at this time. "It gives us guidance and ideas on some of the things we can do to bring back South Africa to not only its previous tourism achievements but to also reach new heights. Africa has only two Wonders, the only surviving Ancient 7 Wonder, the Pyramids of Giza, and the voted New7Wonder of Nature, our very own Table Mountain - an icon of pride for the entire continent."
- [Two-thirds of global tourists ready to travel](#) Almost two-thirds of international travellers are ready to travel immediately after the lifting of international travel restrictions – or at least within a year thereafter. This was revealed by a South African Tourism survey on international travel, in which its Strategy Insights and Analytics team solicited views of international tourists who had visited South Africa in the past three years.
- [South Africa's passport power 'stable' in volatile pandemic world](#) Moving into the 3rd quarter of 2020, South Africa retains its 56th rank on the Henley Passport Index, the original ranking of all the world's passports according to the number of destinations their holders can access without a prior visa
- [Santam to contest hotel group's lockdown lawsuit](#) While the insurer is adamant it's not liable, it also says its balance sheet is strong enough to handle an adverse judgment
- [Covid claims: Santam and insurers have 'pathetic excuses for not paying', say tourism companies](#) It's a grim confirmation of the old adage that insurers take your money religiously every month, but when you really need them they find excuses in the small print not to pay
